

Meeting Minutes

April 13, 2008

Attendance:

Peggy Christie

James Garner

Tom Sawyer

Comicon:

Give Away's: Michael has purchased the bookmarks. Robert Christie purchased pens.

Adam and Jennifer will purchase copies of the antho to sell at the con.

We were only able to secure two passes for the convention.

Webzine:

Name of the webzine that got the most votes: Lake Effect. Now we need to design the webzine pages. Then we will be able to post the guidelines there. Adam will send out a separate email with timeline/guidelines for members.

Halloween Party/Charity:

Peggy has been in touch with people at The Siena Literacy Organization. They are fine with a horror group having a fundraiser for their benefit. They are more than willing to meet with us to talk about literacy and to provide any publicity materials.

Working on locations – two possibilities now are the clubhouse at James' apartment building or The Warming House in Waterford.

Antho Release Party:

James came up with a great idea to have a "book tour" as opposed to just one release party. Working on finding locations to have, all around the Metro area. So if any member can't attend one, possibly they can attend another. We'd like to have the first one at Hooters by the first weekend in June. Michael is working on contacting other locations, and Robert Christie said he'd be happy to contact places as well.
