

TREASURER'S REPORT 1st QUARTER 2010

- Our balance is \$631.76. That includes all the dues paid through December 2009. This does not include proceeds from Lulu or Cafepress at this time since they don't usually mail out any remaining monies until January's end, along with a copy for tax purposes (depending on how the individual account is set up.)
- Reminders for dues will go out the end of January with a link for Paypal, as well as email address for snail mail.
